Get to know your neighbors!

You never know when being friendly and familiar with your neighbors may come in handy.

There may be a time when you see someone unfamiliar in the hall. When you see something. Say something.

There may be a time when they are unknowingly being loud and you would like them to know it. Wouldn't it be easier to talk to them about it if you are already friendly with them?

There are many reasons to get to know your neighbors. The ultimate goal is to live in peace and harmony, and though not always possible, you can at least do whatever it takes to prevent conflict.

An extra benefit is knowing that you are surrounded by friends.

When people make an effort to be good/friendly neighbors everyone will have a sense of well being. The community will be more appealing and you'll be more content at home. Another benefit is knowing your neighbors will look out for each other and are available for help.
